# TRANSITIONAL ARTISTRY, UNSURPASSED ATTENTION TO DETAIL

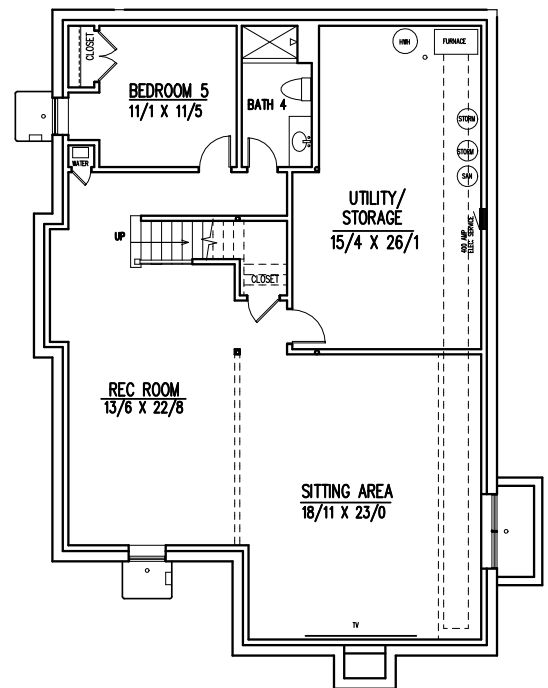

See and feel the differences in this NEW CONSTRUCTION Custom Home built with exceptional attention to detail, top of the line finishes, and ideal open floor plan. Designed by Tom Lindsey, architect, and built by Tom Skutnik, both of Glenview, this home features 3545 sq ft of above ground living space, a 3.5 car garage, and 1772 sq ft lower level. State-of-the art kitchen, luxury baths, and 1st floor 9'5" ceilings are among the many absolutes in this 5 bedroom, 4.1 bath gem. Savor the lush, newly landscaped gardens, Brussels Block patio, and large backyard with 6' Cedar privacy fence. The new owners will enjoy living in the prized Glenview Village center -within blocks of schools, parks, train station, shopping and downtown.
